

# Cursory Photo Story of Green Activities in Schools

Greening+ in Janjyoti Basic Shool,  
Hakpara, Sindhuli in 2022

# Preparing the land

# Fencing a part

# Sowing with students

Acquiring  
some plants  
from other  
sources to  
give a  
momentum

# Talking about planting and plants: what and why

Getting  
students  
involved  
relating  
their  
lessons

# Getting students and teachers together for plantations

Parents join for plantations and also take plants home from the nursery

Laying out a garden with students

Taking other  
measures to make  
classes more  
interesting for  
children.

Thanks for the support!
